**CONSTRUCTION OF THE RCC ROAD ALONG WITH BOTH SIDE DRAINAGE FROM LODGING CROSS TO FLYOVER TAKE OFF AT CHITTAPUR TOWN UNDER R&R ACTIVITIES**

*The only approach for the movements of trucks to reach the plant is through the Chittapur town and due the reason said, there is lots of traffic movements from Chittapur main road through AMPC road to our plant Itaga road. As the road from loading cross to the railway gate is not hard surfaced, lots of dust nuisance is happening due to movement of heavy vehicles. Regularly the maintenance of the road is required to ensure the movement of the trucks.*

*To avoid the Dust emission and as there is no proper road base for the movement of vehicles trucks , Our Company Orient Cement has constructed the RCC Road along with both side drainages as per the requirement of Public & Local administration. The people of Chittapur & local administration are very Happy and expressed their gratitude towards Orient Cement for laying CC Road along with both side drain.*
